4.7 If the buyer dissolves the agreement based on article 4.6, the price for products for which the agreement remains in, will remain unchanged.

5.4 The client is not authorized to set off. Furthermore, the client does not have the right to suspend any (payment) obligation towards Mavro BV.

5.5 The Client will owe default interest of 1% per month from that day on all amounts that have not been paid by the last day of the term of payment, without further notice of default being required.

5.6 In the event that the client is in default towards Mavro BV, he is obliged to reimburse Mavro BV in full for extrajudicial and judicial costs. The extrajudicial costs to be covered by the client shall amount to at least the statutory interest on the unpaid amount with a minimum of € 40,- plus the turnover tax owed on it.

5.7 If, after the client has been in default, Mavro BV sends payment reminders or other requests for payment to the client, this shall not affect the provisions of articles 5.5, 5.6 and 21.

Article 6. Retention of title

6.1 Despite the actual delivery, ownership of the products shall not be transferred to the customer until it has fully complied with all that it owes to Mavro BV under any agreement relating to the products and services in question, within the meaning of Article 3:92 BW of the Dutch Civil Code.

6.2 Before ownership of the products has been transferred to the client, the client is not entitled to rent out or give into use, pledge, or otherwise object the products. The client is only entitled to sell or deliver the products, of which Mavro BV is the owner, to third parties, insofar as this is necessary in the context of the client's normal business operations.

6.3 The goods can be reclaimed immediately by Mavro BV if the client has not fulfilled his obligations or Mavro BV has reason to assume that the client will not fulfil his obligations. The client will be charged for the costs associated with taking back the goods.

6.4 If and as long as Mavro BV is the owner of the products, the client shall immediately inform Mavro BV when the products are (or threaten to be) subject to any (bankruptcy) seizure or any other claim is made on (any part of) the products. If necessary, the buyer will immediately inform third parties that Mavro BV is the owner of the products. Moreover, in that case the client will inform Mavro BV at his first request where the products, of which Mavro BV is the owner, are located and will give Mavro BV access to buildings and/or spaces in order to take possession of the products (or have them taken possession of).

Article 7. Delivery and risk

7.1 Mavro BV always has the right to deliver in parts. The client will then always owe a proportional part of the sales price. If no delivery period has been determined, a period of 4 weeks shall apply, without prejudice to the provisions of paragraph 2 of this article.

7.2 A delivery period stated by Mavro BV is based on the circumstances relevant to Mavro BV at the time the agreement is concluded and, insofar as dependent on third parties, on the information provided to Mavro BV by those third parties.

7.3 If the delivery term is exceeded, the client is not entitled to any compensation in this regard. In that case, the client is also not entitled to dissolve the agreement, unless the exceeding of the delivery term is such that the client cannot reasonably be expected to maintain the relevant part of the agreement.

7.4 Agreed delivery conditions are to be interpreted in accordance with the Incoterms of the International Chamber of Commerce in Paris in force at the time of the entering into the agreement.

7.5 If the conditions referred to in the previous paragraph have not been agreed, delivery and transfer of risk of the products will always take place at the place and time at which the products are ready for shipment to the client. Mavro BV will notify the client as soon as possible of

the time and place referred to above and the client will take delivery of the products as soon as possible, but not later than within 10 working days of the notification.

7.6 If the client does not take the products or does not take them on time, he will be in default without notice of default. In that event, Mavro BV shall be entitled to store the products at the client's expense and risk or to sell them to a third party. However, the client will still owe the purchase price plus interest and costs (by way of compensation) in the following cases if applicable, reduced by the net revenue from the sale to the above-mentioned third party.

7.7 Mavro BV reserves the right to provide the products to be delivered with its name, brand and/or coding.

7.8 If the client wishes to return the remainder of the products, in so far as these are still provided with the original and unopened units, are in impeccable condition and still have a shelf life of at least 8 months, and Mavro BV has agreed to this, the client may return the remainder in the manner indicated by Mavro BV. In that case, Mavro BV will credit the client for a maximum of 60% of the value of the remainder, depending on the condition and age of the products. Products specially manufactured for the client will not be taken back by Mavro BV.

7.9 The products are delivered from a factory designated by Mavro BV, unless otherwise agreed.

7.10 "Factory" sold products always travel from the factory for the expense and risk of the customer. In this regard, the client will always be regarded as the carrier, regardless of any stipulations to the contrary between the client and third parties.

7.11 Mavro BV is entitled to deliver the products to a location other than that is provided in Article 7.9 against payment of any higher transport costs by the client, except in the event of force majeure.

7.12 In any case, Mavro BV will never be in default by operation of law by the mere expiry of a term of delivery.

Article 8. Force majeure

8.1 In the event that Mavro BV is unable to fulfil its obligations towards the client due to force majeure, fulfilment of those obligations shall be suspended for the duration of the force majeure situation.

8.2 If the situation of force majeure has lasted 6 weeks, both parties have the right to dissolve the agreement in whole or partly in writing, insofar as the situation of force majeure justifies this.

8.3 In the event of force majeure, the client shall not be entitled to any (damage) compensation, not even if Mavro BV could gain any benefit because of the force majeure.

8.4 Force majeure on the part of Mavro BV shall be understood to include any circumstance beyond Mavro BV's control as a result of which the fulfilment of its obligations towards the buyer is fully or partially hindered, or as a result of which Mavro BV cannot reasonably be expected to fulfil its obligations, regardless of whether that circumstance existed at the time of the force majeure of the conclusion of the agreement was predictable. These circumstances also include strikes, stagnation or other problems during production by Mavro BV or its suppliers and/or during its own and/or third party's transport and/or the absence of any permit and/or scarcity of raw materials to be obtained by the government, or lack of raw materials to be determined objectively, both on the side of Mavro BV and on the side of its suppliers, without Mavro BV having to demonstrate any influence of this on its company.

be entitled to the reasonable costs of returning the products.

9.7 If the client makes a timely, correct, and justified complaint, Mavro BV's liability ensuing therefrom is limited to the obligations described in article 9.3.

The client shall refrain from taking any such measures to the extent that this can reasonably be required of the client.
