If the consumer is able to pay electronically, MAVRO B.V. shall observe appropriate safety measures.
4. MAVRO B.V. may, within the limits of the law, inform itself as to whether the consumer can fulfil his payment obligations, as well as on all those facts and factors which are important for a conclusion of the distance contract. Should MAVRO B.V., on the basis of this examination, have reasons for not concluding the agreement, it shall be entitled to refuse an order or application, while giving reasons, or to attach special conditions to the execution.
5. MAVRO B.V. will make the digital content available to the consumer at the latest upon delivery of the product. In such a way that it can be stored by the consumer in an accessible way on a durable medium:

2. The cooling-off period referred to in paragraph 1 starts on the day after the consumer, or a third party designated in advance by the consumer, who is not the carrier, has received the product, or:
 - a. if the consumer has ordered several products in the same order: the day on which the consumer, or a third party designated by him, received the last product. MAVRO B.V. provided that he has clearly informed the consumer about this prior to the ordering process, may refuse an order of several products with a different delivery time.
 - b. if the delivery of a product consists of several consignments or parts: the day on which the consumer, or a third party designated by him, received the last shipment or the last part;

Article 7 - Obligations of the consumer during the cooling-off period

1. During the cooling-off period, the consumer will handle the product and the packaging with care. 2. As soon as possible, but within 14 days from the day following the notification referred to in paragraph 1, the consumer returns the product, or hands it over to (an authorised representative of) MAVRO B.V. . This is not necessary as MAVRO B.V. has offered to collect the product itself. In any case, the consumer has observed the return period if he returns the product before the cooling-off period has expired.
3. The consumer returns the product with all supplied accessories, if reasonably possible in original condition and packaging, and in accordance with the by MAVRO B.V. provided reasonable and clear instructions.

2. MAVRO B.V. uses the same means of payment that the consumer has used for reimbursement, unless the consumer agrees to another method. The refund is free of charge for the consumer.

If the delivery is delayed, or if an order cannot or only partially be executed. The consumer will be informed of this at the latest 30 days after he has placed the order. 2. If the force majeure situation has lasted 6 weeks, both parties have the right to dissolve the agreement in writing in whole or in part, insofar the force majeure situation justifies this.
