

# TEGELPROTECT

High-quality nano-coating for making bathroom tiles and other stone surfaces water- and dirt-repellent

## Product description

Tegelprotect forms an invisible water and dirt-repellent layer on the surfaces and makes this easy to clean.

Tegelprotect is easy to apply and can be used both indoor and outdoor.

## Use

Tegelprotect has been specially developed for application on light porous mineral surfaces such as bathroom tiles, exposed concrete, terracotta tiles, tile grout, glazed tiles and natural stone.

## Characteristics

- Easy application
- Waterborne thus no odour
- Reduces the adhesion of dirt
- Protect the surface from limescale
- Excellent water-, dirt- and grease-repellent properties

## Technical data

Odour:	Odourless
Colour:	Transparent
Specific weight:	1,0 kg/L
pH:	~5
Contains:	Silanes and fluoropolymers

## Application conditions

Ambient temperature:	maximum 30°C, minimum 10°C
Substrate temperature:	maximum 30°C, minimum 10°C
Relative humidity:	maximum 85%

## Instructions

1. Ensure that the surface is clean, dry and dust-free.
2. Apply Tegelprotect evenly with a paint roller.
3. Ensure that the surface is properly saturated. Apply a second layer wet-on-wet with a maximum of 30 minutes between the layers.
4. Prevent oversaturation by removing any excess product with a clean cloth.

## Drying

Dust-free:	30 minutes up to an hour
Dry:	After 2 – 4 hours

## Packaging

500 mL

## Consumption

Consumption is 5 m<sup>2</sup>/L

## Practical information

- Do not mix or dilute with other products.
- Use Glasprotect for glass

## Storage

Can be kept for at least 12 months in original unopened packaging.

Store in a cool, frost-free place. Keep out of reach of children.

## Health and safety

Wear suitable gloves, protective clothing and safety glasses. If in doubt, always consult the safety data sheet or our R&D department.

## Technical support

Mavro is ISO 9001 certified: your guarantee of quality, in terms of products and advice. Our technical consultants and R&D department are always at your service. We are happy to look at your problem or wish with you. Help you with our products or find a solution if it does not yet exist. Call, e-mail or drop by.
