

BIOFRESH

Powerful eco-friendly odour eliminator

Product description

Biofresh is an eco-friendly and mild detergent with strong odour eliminating properties.

Biofresh works through bacterial and enzymatic processes and eliminates foul odours from practically all spaces.

Biofresh also cleans surfaces and gives them a glossy finish.

Use

Biofresh can be applied on practically all light porous and hard surfaces, such as tiles, high pressure laminate (HPL), porcelain and flooring.

Biofresh is very suitable for waste bins and public sanitary areas such as bathrooms and changing rooms.

Characteristics

- Mild for most surfaces
- 100% biodegradable
- Prolonged efficiency
- Easy to apply
