

DEGREASER

A non-abrasive polish for extremely dirty surfaces

Product description

Degreaser is a very efficient and powerful alkaline cleaning agent concentrate for cleaning and degreasing different surfaces.

Use

Degreaser is applicable on practically all surfaces. Degreaser is applied on floors and walls in slaughterhouses, bakeries, machines, machine parts and production departments. Degreaser does not affect steel, alloys, aluminium or plastic.

Characteristics

- Applicable on most surfaces
- Powerful degreasing properties
- Effective and active cleaning
- Suitable for high pressure and foam equipment
- Does not affect surfaces

Technical data

Odour:	Characteristic
Colour:	Green
Specific weight:	1,07 kg/L
pH:	>13
Contains:	Butyl glycol, alkylbenzene sulfonate and sodium metasilicate

Application conditions

Degreaser can be used in all dry weather conditions. Low temperature can reduce the efficacy of the product.

Instructions

1. Dilute Degreaser with water, depending on the degree of contaminations present.
2. Apply Degreaser on the surface. If the surface is extremely dirty, let the product sit on the surface for several minutes.
3. Work the surface and contamination with a sponge, brush or white pad.
4. Rinse the surface with sufficient water.
5. Repeat the procedure if necessary.

Packaging

10 L

Consumption

Consumption is greatly influenced by the degree of contamination and dilution used.

Practical information

- Do not mix with other products.

Storage

Can be kept for at least 24 months in original unopened packaging. Store in a dry, cool and frost-free place.

Health and safety

Causes severe burns and eye damage. Avoid skin and eye contact, wear suitable gloves, protective clothing and safety goggles. If in doubt, always consult the safety data sheet or our R&D department.

Technical support

Mavro is ISO 9001 certified: your guarantee of quality, in terms of products and advice. Our technical consultants and R&D department are always at your service. We are happy to look at your problem or wish with you. Help you with our products or find a solution if it does not yet exist. Call, e-mail or drop by.
