

# FLOORGUARD SEALER

Waterborne sealer for all water resistant floors

## Product description

Floorguard Sealer is an effective waterborne sealer for making floors dust-free and abrasion resistant.

Floorguard Sealer ensures the optimal maintenance of porous floors due to a pore filling effect and excellent adhesion.

Floorguard Sealer is also suitable as a primer for polymer floor-wax such as Floorguard Polycryl.

## Use

Floorguard Sealer is suitable for all sorts of water resistant floors such as linoleum, vinyl, PVC, concrete and tiles.

## Characteristics

- Excellent adhesion
- Very abrasion resistant
- User-friendly
- Waterborne
- Easy application

## Technical data

Odour: Odourless  
Colour: White/ beige emulsion  
Specific weight: 1,0 kg/L  
pH: ~ 7

Dust-free: approx. 1 hour  
Dry: approx. 3 hours  
Recoat-able: approx. 10 hours

## Application conditions

Ambient temperature: minimum 10°C  
Substrate temperature: minimum 10°C  
Relative humidity: maximum 80%

## Instructions

1. Ensure that the surface is completely clean, dry and dust-free.
2. Apply Floorguard Sealer undiluted on the surface and distribute the product with a roller, squeegee, low pressure spray evenly with a roller, squeegee or low pressure spray.
3. An extra later might be necessary on extreme absorbent surfaces.
4. Remove any excess material immediately with a lint-free cloth.

## Packaging

5 L

## Consumption

Consumption is 1-14 m<sup>2</sup>/L. Consumption is influenced by the absorbance and porosity of the surface.

## Practical information

- Do not dilute or mix with other products
- Remove excess material immediately
- Not suitable for rubber floors

## Storage

Can be kept for at least 12 months in original unopened packaging.

Store in a cool, frost-free place.

## Health and safety

Floorguard Sealer is not classified. If in doubt, always consult the safety data sheet or our R&D department.

## Technical support

Mavro is ISO 9001 certified: your guarantee of quality, in terms of products and advice. Our technical consultants and R&D department are always at your service. We are happy to look at your problem or wish with you. Help you with our products or find a solution if it does not yet exist. Call, e-mail or drop by.
