

GRAFFITI REMOVER LITE

Mild and friendly graffiti remover for sensitive surfaces

Product description

Graffiti Remover Lite is a very mild, liquid graffiti remover based on environmentally friendly and biodegradable solvents.

Graffiti Remover Lite has a typical mild scent and is also very suitable for indoor use.

Graffiti Remover Lite is used for the removal of graffiti from permanent anti-graffiti coatings such as the GraffitiGuard Permanent 2c.

Use

Graffiti Remover Lite is very suitable for removing graffiti and markers from hard and non-porous surfaces such as traffic signs, wall cladding, window frames, glass and painted surfaces.

Characteristics

- Biodegradable
- Mild fragrance
- Very user friendly
- Quickly and effectively removes all types of graffiti
- Suitable for use on all practically all surfaces
- Easy to use, no high pressure required

Technical data

Odour:	Mild
Colour:	Golden yellow
Specific weight:	1,03 kg/L
pH:	~8
Contains:	Solvents
Flash point:	>97°C

Application conditions

Graffiti Remover Lite can be used in all dry weather conditions.

Instructions

1. Apply a small amount of Graffiti Remover Lite on a dry, clean microfiber cloth or power sponge.
2. Apply the product to the surface and allow it to work several minutes (5-30) on the graffiti.
3. Wipe the graffiti off with the clean part of the cloth and rinse the surface thoroughly with clean water.
4. Optional: Apply an anti-graffiti coating after graffiti removal.

Packaging

1 and 5 L

Consumption

Take into account a consumption of 5 - 15 m²/L, depending on the surface and the graffiti.

Practical information

- Do not dilute or mix with other products
- Low temperatures can decrease the efficiency, adjust the treatment time accordingly.
- Do not use in direct sunlight or warm surfaces.
- Clean tools and remove product residues with clean water.

Storage

Can be kept for at least 24 months in original unopened packaging. Store in a cool, frost-free place.

Health and safety

Avoid skin and eye contact, wear suitable gloves, protective clothing and safety goggles. When in doubt, always consult the safety data sheet or our R&D department.

Technical support

Mavro is ISO 9001 certified: your guarantee of quality, in terms of products and advice. Our technical consultants and R&D department are always at your service. We are happy to look at your problem or wish with you. Help you with our products or find a solution if it does not yet exist. Call, e-mail or drop by.
