

# INOX DEGREASER

Very powerful solvent-based degreaser for cleaning stainless steel

## Product description

Inox Degreaser is a highly efficient product for degreasing, cleaning and drying stainless steel. Inox Degreaser is used as a pre-treatment for the protection of stainless steel with Inoxcoat. Use Inox Degreaser can be applied on all stainless steel surfaces. Common surfaces are elevators, escalators, dispensers and cladding.

## Characteristics

- Dries quickly
- Solvent-borne
- Powerful degreasing properties
- Safe to use on all stainless steel surfaces, suitable for both indoor and outdoor use

## Technical data

Odour:	Solvent
Colour:	Colourless
Specific weight :	0,93 kg/L
pH:	6
Contains:	Organic solvents
Flashpoint:	32°C

## Application conditions

Inox Degreaser can be used in all weather conditions, when used indoors ensure proper ventilation.

## Instructions

1. Apply Inox Degreaser undiluted with a microfiber cloth.
2. Allow Inox Degreaser to dry completely in the air before applying Inoxcoat.

## Packaging

1 and 5 L

## Consumption

Consumption strongly depends on the degree of fouling and temperature.

## Practical information

- Do not dilute or mix with other products.

## Storage

Can be stored for at least 24 months in original unopened packaging. Store in a cool, frost-free place. Keep away from direct sunlight and sources of ignition.

## Health and safety

Avoid skin and eye contact, wear suitable gloves, protective clothing and safety goggles. Provide adequate ventilation. When in doubt, always consult the safety data sheet or our R&D department.

## Technical support

Mavro is ISO 9001 certified: your guarantee of quality, in terms of products and advice. Our technical consultants and R&D department are always at your service. We are happy to look at your problem or wish with you. Help you with our products or find a solution if it does not yet exist. Call, e-mail or drop by.
