

INTERIOR CLEANER

Highly efficient cleaner for all types of pollution

Product description

Interior Cleaner is a highly efficient cleaner for oil deposits, soot, nicotine and other pollution. Interior Cleaner is very useful as an all-purpose cleaner in professional and industrial environments. Interior Cleaner is environmentally friendly and is 100% biodegradable. Use Interior Cleaner can be applied on all surfaces such as windows, tables, desks, mirrors, plastics and metals.

Characteristics

- Gentle on the surface
- 100% biodegradable
- Effective in cold water
- Suitable as floor-cleaner or all-purpose cleaner

Technical data

Odour:	Citrus
Colour:	Transparent
Specific weight:	1,04 kg/L
pH:	8
Contains:	Surfactants

Application conditions

Interior Cleaner can be used in all weather conditions.

Instructions

1. Depending on the pollution, dilute Interior Cleaner with water (dilute 1:30 maximum) or use concentrated.
2. Apply Interior Cleaner with a low pressure spray or a brush. Wiping the surface with a white pad or power sponge accelerates the efficiency of the product.
3. Rinse with clean water.
4. Repeat the process if necessary.

Packaging

5, 10 and 25 L

Consumption

Consumption strongly depends on the nature and degree of fouling on the surface alongside the dilution.

Practical information

- Do not mix with other products, be especially careful with acidic products.

Storage

Can be stored for at least 24 months in original unopened packaging. Store in a cool, frost-free place.

Health and safety

Interior cleaner is not classified according to Regulation (EC) No 1272/2008 (CLP). Nevertheless, the use of PPE such as gloves is recommended during use. If in doubt, always consult the safety data sheet or our R&D department.

Technical support

Mavro is ISO 9001 certified: your guarantee of quality, in terms of products and advice. Our technical consultants and R&D department are always at your service. We are happy to look at your problem or wish with you. Help you with our products or find a solution if it does not yet exist. Call, e-mail or drop by.
