

ISOPROPANOL

Powerful solvent, degreasing- and cleaning agent

Product description

Isopropanol is a powerful solvent and is used to degrease, clean and dry surfaces as pre-treatment for the application of coatings. Isopropanol has disinfecting properties. Isopropanol is suitable for use in environments that handle food.

Use

Isopropanol can be used on practically all surfaces.

Characteristics

- Dries quickly
- Powerful degreasing properties
- Disinfecting properties
- Suitable for use in H.A.C.C.P environments

Technical data

Odour:	Alcohol
Colour:	Transparent
Specific weight:	0,78 kg/L
pH:	Not applicable
Flashpoint:	12°C
Boiling-point:	82°C

Application conditions

Isopropanol can be used in all weather conditions, ensure proper ventilation when used indoors.

Instructions

1. Apply Isopropanol undiluted with a microfiber cloth or directly onto the surface using a spray bottle.
2. Wipe the surface immediately with a clean microfiber cloth and allow the surface to dry.

Packaging

1, 5 and 10 L

Consumption

Consumption strongly depends on the degree and nature of fouling.

Practical information

- Do not dilute or mix with other products.
- Product is highly flammable, keep away from ignition sources.

Storage

Can be stored for at least 24 months in original unopened packaging. Store in a cool, frost-free place. Keep away from direct sunlight and sources of ignition.

Health and safety

Wear suitable protective gloves, safety goggles and use a respirator with a brown filter cartridge (organic vapours) if used in a poorly ventilated area. When in doubt, always consult the safety data sheet or our R&D department.

Technical support

Mavro is ISO 9001 certified: your guarantee of quality, in terms of products and advice. Our technical consultants and R&D department are always at your service. We are happy to look at your problem or wish with you. Help you with our products or find a solution if it does not yet exist. Call, e-mail or drop by.
