

SANITARY DESCALER

Powerful cleaning agent for descaling various sanitary areas.

Product description

Sanitary Descaler is a powerful de-scaler for use on various surfaces in sanitary areas.

Sanitary Descaler is thickened and is therefore also very effective on vertical surfaces for breaking down lime scale.

Use

Sanitary Descaler is applied to tiles and glass-walls of bathrooms, tile walls, bathtubs, toilet bowls, other sanitary ware, swimming pools and sports halls, car washes, etc.

Sanitary Descaler should not to be applied on acid-sensitive materials such as marble, natural stone and highly calcareous tiles. Do not use on metals such as stainless steel or aluminum.

Characteristics

- Very effective descaling effect
- Slightly viscous for longer treatment time and better performance

Technical data

Odour:	Perfume
Colour:	Red/pink
Specific weight:	1,08 kg/L
pH:	1,5
Contains:	Phosphoric acid

Application conditions

Sanitary Descaler is only used indoors.

Instructions

1. Dilute Sanitary Descaler with clean water depending on the degree of contamination. For medium pollution use a 20% solution (e.g. 1 L to 5 L of water).
2. Apply Sanitary Descaler with a sponge or brush.
3. Let the product work for a few minutes and scrub off the lime residues with a scourer or brush.
4. Rinse the surface thoroughly with water.

Packaging

750 ml gooseneck bottle

Consumption

Consumption is strongly dependent on the degree of fouling and the dilution used.

Practical information

- Do not mix with other products.
- If in doubt about the acid resistance of the material, test for acid sensitivity on an inconspicuous surface.

Storage

Can be stored for at least 24 months in original unopened packaging. Store in a cool, frost-free place. Keep out of reach of children.

Health and safety

Causes severe burns and eye damage. Avoid skin and eye contact, wear suitable gloves, protective clothing and safety glasses. If in doubt, always consult the safety data sheet or our R&D department.

Technical support

Mavro is ISO 9001 certified: your guarantee of quality, in terms of products and advice. Our technical consultants and R&D department are always at your service. We are happy to look at your problem or wish with you. Help you with our products or find a solution if it does not yet exist. Call, e-mail or drop by.
