

UNICLEAN NEUTRAL

Highly efficient neutral detergent for all types of pollution

Product description

Uniclean Neutral is a highly efficient low-foam cleaner for grease deposits, soot and other soiling.

Uniclean Neutral is very useful as a daily all-purpose cleaner.

Uniclean Neutral is environmentally and user-friendly and is 100% biodegradable.

Uniclean Neutral consists of 98% bio-based raw materials.

Use

Uniclean Neutral can be used on almost all materials.

Characteristics

- Gentle on the surface
- 100% biodegradable
- 98% bio-based
- Suitable as a paint cleaner for paintwork
- Very suitable for scrubbing machines

Technical data

Odour:	Characteristic
Colour:	Colourless
Specific weight:	1,00 kg/L
pH:	Ca. 8

Application conditions

Uniclean Neutral can be applied in all weather conditions.

Instructions

1. Depending on the pollution, dilute Uniclean Neutral with water (dilute up to 1:30) or use concentrated.
2. Apply Uniclean Neutral with a low pressure sprayer or brush.
3. Let the product work on the surface for a couple of minutes. Scrubbing the surface with a white pad or power sponge speeds up the process.
4. Rinse the surface with water and/or wipe with microfiber cloth.
5. Repeat the procedure if necessary.

Packaging

1, 5 and 10 L

Consumption

Consumption strongly depends on the degree of soiling and the dilution used.

Practical information

- Do not mix with other products.
- For heavy to extreme soiling, an alkaline cleaner such as Uniclean or Uniclean Low Foaming may be more effective.

Storage

Can be stored for at least 24 months in original unopened packaging. Store in a cool, frost-free place.

Health and safety

Avoid eye contact, wear safety glasses. When in doubt, always consult the safety data sheet or our R&D department.

Technical support

Mavro is ISO 9001 certified: your guarantee of quality, in terms of products and advice. Our technical consultants and R&D department are always at your service. We are happy to look at your problem or wish with you. Help you with our products or find a solution if it does not yet exist. Call, e-mail or drop by.
